ENERGY EFFICIENCY ADVISORY COUNCIL

NOTICE OF EXECUTIVE COMMITTEE MEETINGS

The Energy Efficiency Advisory Council ("Council") established pursuant to section 22 of Chapter 25 of the Massachusetts General Laws announces two new meetings of its Executive Committee. A meeting of its Executive Committee will be held on **Thursday, October 18, 2012 at 1:00 pm until 3:00 pm**. A second meeting will be held on **Thursday, October 25, 2012 at 1:00 pm until 3:00 pm**. The Executive Committee meetings will take place in offices of the Department of Energy Resources at 100 Cambridge Street, Boston, Massachusetts 02114 in Suite 1020. At each of the meetings, the Executive Committee will resume work on a draft Resolution to recommend to the full Council that will address the perceived merits and/or shortcomings that may exist within the Program Administrators' final October draft of the Three-Year Energy Efficiency Investment Plan ("EEIP") for 2013-2015 before its submission to the Department of Public Utilities ("DPU"). The purpose of the draft Resolution will be to memorialize the views of the voting members of the Council in order to provide formal guidance to the DPU with respect to the program design of the statewide EEIP and its ability to achieve the energy efficiency goals of the Commonwealth. This effort of the Executive Committee to compose a draft Resolution is done in anticipation of the October 23 and 30, 2012 meetings of the Council. These meetings will be the last meetings of the Council prior to the Program Administrators' filing of the final EEIP with the DPU on or before October 31. Agenda items for the October 23 & 30, 2012 Council meetings may also be considered. This notice is provided pursuant to Massachusetts General Laws Chapter 30A, Section 11A ½.
